Extend congratulations and appreciation to the*

Travellers' Aid Society of Toronto

on the occasion of your 100th Anniversary

The celebration of this milestone provides an excellent opportunity to reflect on your many accomplishments during the past 100 years.

Your volunteers who man booths at various locations in Toronto every day of the year, can be extremely proud of the great job they do in providing services, assistance, and much needed information to the travelling public.

To the Board of Directors, outstanding volunteers and everyone involved with the Society, thank you for caring and giving.

Our best wishes for an enjoyable celebration and many more years of continued success.
